District Superintendent's Report

Our students posted the ninth highest among the state's 83 school districts and ten points above last year's District Average on the SAT.

District Five seniors posted an average composite score of 21.0 on the ACT college entrance exam in 2011, above the state average composite score of 20.1, and just one-tenth of one percent behind the national average composite score of 21.1. Our seniors also earned a record \$26.1 million in college scholarships.

The District posted its highest numbers ever in the three years the PASS test has been administered. In addition, we are embedding the Common Core State Standards in our curriculum at various grade levels. These standards for ELA, math, and literacy in science, social studies and technical subjects were developed by a coalition of states and benchmarked to international standards in order to design instruction that will better prepare students for college and career readiness.

Our district is a now district of complete choice, where students can choose the magnet programs that best fit their individual needs and interests. Joining the Anderson Five Career Campus, Calhoun, Concord, Lakeside McCants, McLees, Nevitt Forest, Southwood, Varennes, Westside and T. L. Hanna are Centerville, Glenview, Homeland Park, New Prospect, Robert Anderson and Whitehall. Homeland Park will open next year as a Primary School with grades kindergarten through second, and Varennes Academy of Communication and Technology will convert into an intermediate school with a grade span of 3-5. South Fant Early Childhood Education Center and West Market Early Childhood Education Center are now South Fant School of Early Education and West Market School of Early Education.

Preparations are underway to open North Pointe Elementary School and the Anderson School District Five Charter School in August 2012. Our charter school will begin with approximately 100 students in grades 11 and 12 and eventually include grades 4-12.

Our Board of Trustees and community members are appreciated for their continued support of our progressive programs and goal of awarding our students with the best education we can offer. The future of our students, parents and teachers is bright.

District Five Superintendent Betty T. Bagley
